Sub: - Family Courts Data.

Sir/Madam,

With reference to the subject cited above, I am directed to convey to you that the e-Committee, Supreme Court of India, has raised concern that some privately managed mobile applications are providing details of cases pending in the Family Courts, which may cause embarrassment to the litigants.

In this regard, I am under direction to request you to ensure that the parties' names are not disclosed to the public in matters pending or decided by Family Courts and the concerned Systems Officer of your District may be directed to ensure that the party hide feature is enabled in the Case Information System (CIS), so as to avoid any disclosure of parties' name in public.

With regards,

Yours sincerely,

JOINT REGISTRAR (PM&P)/CPC
